## CHILD FIND

Child Find is an activity conducted by state and local education agencies to locate children ages' birth to 21 that have disabilities. The purpose of the program is to provide special education and related services that are needed. Disabilities may include developmental delays in communication skills, motor skills, or social emotional/behavior functioning. A student is considered disabled if they have one or more of the following conditions: autism, deaf-blindness, hearing impairment, brain injury, learning disabilities, emotional disturbance, or a speech or language impairment. If you know of any child who has or may have special needs, please contact Mrs. Eileen Bowers, Office of Pupil Services, Willoughby-Eastlake City Schools at 440-975-3800. Once notified, the school district will contact the parent/guardian to find out if the child needs to be evaluated. The evaluation will be provided free of charge and if eligible, the child will receive appropriate special education and related services.

## GET THE NEWSLETTER ELECTRONICALLY

In an effort to go paperless we want to send the newsletter electronically each week. You have 2 options to do this.

**Option 1:** If you are a parent/guardian you can set up your POWERSCHOOL account for e-mail or even texts! Login to your parent account, go to the icons on the left side of the screen and click on the SCHOOLMESSENGER tab. From there you can set up your account in various ways that suit you!

**Option 2:** Anyone can receive general e-mails from ANY SCHOOL in the district by going to WESCHOOLS.ORG and, using the PARENT TAB, click on 'E-mail Communciation Setup'. Then you can create an account and set up the e-mails.

We hope that these options allow you to stay more informed about the great things happening in the Willoughby-Eastlake School District! #WEMATTER
