Practical Nursing Student Agreement

I, _____, have been informed of Senate Bill 160 that restricts employment in health care related fields based on the results of a civilian and FBI background checks. Background checks less than one year old are required by the Ohio Board of Nursing to sit for the NCLEX-PN for anyone entering a school of nursing on or after June 1, 2003. I have been made aware of and offered a copy of the list of offenses that would keep me from being eligible to sit for the NCLEX-PN or from being able to attend clinical experiences at the clinical sites.

The clinical sites require only a civilian background check if an individual has lived in the state of Ohio for longer than five (5) years. If an individual has lived in the state of Ohio for five (5) years or less, both the civilian and FBI background checks are required.

I verify that I have lived in the state of Ohio for: _____ longer than five (5) years
_____ five (5) years or less

I also understand that the clinical facilities may refuse my attendance within their clinical facility regardless of Senate Bill 160. If I am denied permission to complete my clinical experience by the facility, I will be dismissed from the program due to the inability to complete the clinical portion of the nursing course.
