

Playhouse Square Show Register by October 1st!

WICKED, the Broadway sensation, looks at what happened in the Land of Oz...but from a different angle. Long before Dorothy arrives, there is another young woman, born with emerald-green skin—smart, fiery, misunderstood, and possessing an extraordinary talent. When she meets a bubbly blonde who is exceptionally popular, their initial rivalry turns into the unlikeliest of friendships...until the world decides to call one “good,” and the other one “Wicked.”

Safe Sitter® Course

Safe Sitters®

Worried about leaving your 11, 12, or 13 year old child home alone for a couple of hours? Concerned about leaving younger siblings with their older brother or sister? Want to prepare your child for babysitting? Young teens will be trained in first aid, indoor and outdoor safety, and how to handle household emergencies so they are adequately prepared to stay home alone or watch younger siblings. Safe Sitters® is a nationally recognized, medically accurate program, taught by certified Safe Sitter instructors, and recognized for excellence by the American Academy of Pediatrics. Safe Sitter graduates show increased self-esteem, confidence, compassion, and responsibility.

Pumpkin Chunkin

This is a fun and educational pumpkin throwing event using the French invention the trebuchet. You will design and build your own machine that hurls small 1 pound pumpkins. You may use a maximum of 100 lbs of ballast for energy. Ballast must be easily removable and will be weighted and marked before the event. Parks and Recreation supplies the pumpkins, and the park to launch them in, you supply the trebuchet! Science students and teachers, companies, clubs and individuals are encouraged to build your own trebuchet and compete! Each team will get a minimum of five pumpkins. Trophies will be awarded to the team with the longest launch in our three categories.
